[illegible]

SOG every goal is also a shot on goal, so mark both. **MS** wide, high, off the pipe, or blocked by a field player. **A** one per goal, for the final pass; most goals off a dodge have none. **GB** a loose ball picked up and controlled. **CT** the defender whose check or pressure changed possession; a pick is a CT. **FO W / FO L** to the player who took the faceoff; the ground ball goes to whoever came up with it. **PEN** write the minutes for each penalty.

GOALIES

#	Goalie	Saves (SV)						Goals against (GA)					
		1	2	3	4	OT	Total	1	2	3	4	OT	Total

SV a shot on goal the goalie stopped; a field player's block is a missed shot, not a save. **GA** every goal the opponent scores goes to the goalie in the game, so the GA total matches the opponent's final score.

Boys Lacrosse Scoring Log

GOALS

One row per goal, both teams, in order. Time is the game clock. Team: T for your team, O for the opponent. Leave Assist blank when nobody set it up. EMO / MDD: mark goals scored on extra man or man-down.
